Thank you for participating in the National Survey on Research Integrity. Each and every response to this survey is valuable and will help us learn the most about factors that support or hinder responsible conduct of research. While answering the survey, please provide the first answer that comes to mind.

Completion of the survey will take about 20-25 minutes.

More details of the study can be found here: www.nsri2020.nl and on its Privacy Policy here.

The survey starts after you have given informed consent on the next page.

Q9003 - IC1: Informed Consent

Single coded

[Not back](#)Informed Consent

I understand the nature of the study and I am participating voluntarily. I understand that I can stop my participation at any time. Should I do so, my e-mail and IP address will immediately and permanently be deleted. Should I choose to complete the survey, my e-mail address and IP address will also be permanently deleted after sending. I understand there is no way to retrieve my survey once completed due to the strict privacy and anonymity arrangements of this study.

I agree to participate in this survey.

Normal

- 1 Yes
- 2 No

Ask only if **Q9003 - IC1,2**

Q9004 - IC2: No participation

Single coded

[Not back](#)

We realize that you prefer not to participate in this survey. Surveys may suffer from non-response that is non-random. To help us get a clearer picture of the type of persons who prefer not to participate, we would like to collect information on their academic rank, gender, and discipline only. Would you be willing to share that information with us? It will only take a minute.

Normal

- 1 Yes
- 2 No

➔ GO TO SCREEN OUT

Ask only if **Q9003 - IC1,1** or **Q9004 - IC2,1**

Q1001 - D1: Demographics - research

Single coded

[Not back](#)

Do you spend, on average, at least 8 hours a week doing research at a Dutch university or university medical center or in affiliation to one?

This may include supervision of research by Masters or PhD students.

[Normal](#)

- 1 Yes
- 2 No

→ GO TO **Q9005 - D9005**

Ask only if **Q9003 - IC1,1** or **Q9004 - IC2,1**

Q1002 - D2: Main Disciplinary Field

Single coded

[Not back](#)

Which of the following is your main disciplinary field of research?

Select only one

[Normal](#)

- 1 Social and Behavioral Sciences
- 2 Arts and Humanities
- 3 Engineering and Natural Sciences
- 4 Biomedical and Life Sciences

Ask only if **Q9003 - IC1,1** or **Q9004 - IC2,1**

Q1003 - D3: Academic Rank

Single coded

[Not back](#)

Which academic rank do you belong to?

Select only one

Clarification: Full professor includes honorary, extraordinary and sponsored professorships

[Normal](#)

- 1 PhD student or junior researcher
- 2 Postdoctoral researcher, Assistant Professor, Physician Researcher or Lecturer Researcher
- 3 Associate Professor or Full Professor
- 4 None of the above

→ GO TO **Q9006 - D9006**

Ask only if **Q9003 - IC1,1** or **Q9004 - IC2,1**

Q1004 - D4: Gender

Single coded

[Not back](#)

What is your gender?

[Normal](#)

- 1 Female
- 2 Male
- 3 Other / Do not wish to disclose

Ask only if **Q9003 - IC1,1** or **Q9004 - IC2,1**

Q1005 - D5: Engage in research

Single coded

Not back

Were you engaged in empirical research in the last three years?

Clarification: Empirical research refers to research in which quantitative or qualitative data is collected and/or analysed. Non-empirical research refers to research such as hermeneutic reflection, development of theories, models or codes, and academic design activities like in art or architecture.

Normal

- | | |
|---|-----|
| 1 | Yes |
| 2 | No |

Ask only if **Q1001 - D1,2**

Q9005 - D9005: Screen out - hours of research

Text

Not back

Thank you for taking the effort to join this survey. This survey targets only respondents who engage in academic research activities for more than 8 hours per week on average. If you have questions, please contact us at info@nsri2020.nl.

Default next item **END OF QUESTIONNAIRE**

Ask only if **Q1003 - D3,4**

Q9006 - D9006: Screen out - academic rank

Text

Not back

Thank you for taking the effort to join our survey. Our survey is targeting only respondents who fulfil one of the listed academic ranks. If you have questions, please contact us at info@nsri2020.nl

Default next item **END OF QUESTIONNAIRE**

Ask only if **Q9003 - IC1,2** and **Q9004 - IC2,1**

Q9007 - D9007: Intro Factors influencing Research Practices

Text

[Not back](#)

This section includes a number of statements covering a broad range of issues that may help or hinder responsible conduct of research.

You will now be presented with a number of statements and be asked to rate them.

Ask only if **Q9009 - DummyVersion,1,3**

Q2019 - F19: Work Pressure Scale

Left-right slider

[Not back](#) | **Number of rows: 1****Work Pressure**

In this section, we present you with items on perceived work pressure, publication pressure, pressure due to funding, competitiveness in your field and mentoring.

For each statement, please indicate your most appropriate answer.

How often does it occur that you have enough time to do all the tasks demanded of you?

[Normal](#)

Never 1 2 3 4 5 6 7 Always

Ask only if **Q9009 - DummyVersion,2,3**

Q2020 - F20: Work Pressure Scale

Left-right slider

[Not back](#) | **Number of rows: 1****Work Pressure**

How often are you assigned too much work to do in a limited time?

[Normal](#)

Never 1 2 3 4 5 6 7 Always

Client notes: If version 2, the following introduction text will be shown:

< BR>

In this section, we present you with items on perceived work pressure, publication pressure, pressure due to funding competitiveness in your field and mentoring.

< BR>

For each statement, please indicate your most appropriate answer.

< BR>

Ask only if **Q9009 - DummyVersion,1,2**

Q2021 - F21: Work Pressure Scale

Left-right slider

[Not back](#) | **Number of rows: 1****Work Pressure**

How often does an excess of work prevent you from having time to rest?

[Normal](#)

Never 1 2 3 4 5 6 7 Always

Ask only if **Q9009 - DummyVersion,1,2**

Q2022 - F22: Publication Pressure Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Publication Pressure

I feel pressure to publish.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,1,2**

Q2023 - F23: Publication Pressure Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Publication Pressure

I experience stress at the thought of my colleagues' assessment of my publication output.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,1,3**

Q2024 - F24: Publication Pressure Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Publication Pressure

I have the feeling that my colleagues judge me mainly on the basis of my publications.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,1,3**

Q2025 - F25: Publication Pressure Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Publication Pressure

Publication pressure harms my ability to do good research.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,2,3**

Q2026 - F26: Publication Pressure Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Publication Pressure

The current publication climate puts pressure on relationships with fellow-researchers.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,2,3**

Q2027 - F27: Publication Pressure Scale

Left-right slider

[Not back](#) | **Number of rows: 1**

Publication Pressure

Publication pressure sometimes leads me to cut corners.

Clarification: Cutting corners refers to engaging in questionable research practices to save time or to get spectacular results.

Normal

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,1,3**

Q2028 - F28: Pressure due to funding Scale

Left-right slider

[Not back](#) | **Number of rows: 1**

Pressure Due to Funding

Judgements of my academic performance are independent of my successful grant applications.

Normal

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Client notes: Button 'not applicable' will be added

Ask only if **Q9009 - DummyVersion,1,3**

Q2029 - F29: Pressure due to funding Scale

Left-right slider

[Not back](#) | **Number of rows: 1**

Pressure Due to Funding

My job security depends strongly on research grants I receive.

Normal

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Client notes: Button 'not applicable' will be added

Ask only if **Q9009 - DummyVersion,2,3**

Q2030 - F30: Pressure due to funding Scale

Left-right slider

[Not back](#) | **Number of rows: 1**

Pressure Due to Funding

My prospects for promotion depend on me obtaining funding.

Normal

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Client notes: Button 'not applicable' will be added

Ask only if **Q9009 - DummyVersion,2,3**

Q2031 - F31: Pressure due to funding Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Pressure Due to Funding

The continuation of my research depends on obtaining my own funding.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Client notes: Button 'not applicable' will be added

Ask only if **Q9009 - DummyVersion,1,2**

Q2032 - F32: Pressure due to funding Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Pressure Due to Funding

I would be able to do my research without obtaining my own funding.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Client notes: Button 'not applicable' will be added

Ask only if **Q9009 - DummyVersion,1,2**

Q2033 - F33: Pressure due to funding Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Pressure Due to Funding

Obtaining my own research funding is crucial for my academic career.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Client notes: Button 'not applicable' will be added

Ask only if **Q9009 - DummyVersion,1,3**

Q2034 - F34: Mentoring Survival Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Survival Mentoring

How often has your most important mentor provided you with help in learning the art of survival in your field?

Clarification: A mentor may be a person from the past or present who may be your supervisor, colleague or peer to whom you looked to for guidance in your academic career.

[Normal](#)

Never 1 2 3 4 5 6 7 Always

Ask only if **Q9009 - DummyVersion,1,3**

Q2035 - F35: Mentoring Survival Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Survival Mentoring

How often has your most important mentor helped you in developing professional relationships with others in your field?

[Normal](#)

Never 1 2 3 4 5 6 7 Always

Ask only if **Q9009 - DummyVersion,2,3**

Q2036 - F36: Mentoring Survival Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Survival Mentoring

How often has your most important mentor provided you with guidance in writing grant and contract proposals?

[Normal](#)

Never 1 2 3 4 5 6 7 Always

Ask only if **Q9009 - DummyVersion,2,3**

Q2037 - F37: Mentoring Survival Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Survival Mentoring

How often has your most important mentor coached you in career advancement?

[Normal](#)

Never 1 2 3 4 5 6 7 Always

Ask only if **Q9009 - DummyVersion,1,2**

Q2038 - F38: Mentoring Survival Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Survival Mentoring

How often has your most important mentor given you guidance on how to seize career opportunities?

[Normal](#)

Never 1 2 3 4 5 6 7 Always

Ask only if **Q9009 - DummyVersion,1,2**

Q2039 - F39: Mentoring Survival Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Survival Mentoring

How often has your most important mentor advised you on how to get your research published?

[Normal](#)

Never 1 2 3 4 5 6 7 Always

Ask only if **Q9009 - DummyVersion,1,2**

Q2040 - F40: Competitiveness Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Competitiveness of your field

My field functions largely as a community of researchers.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,1,2**

Q2041 - F41: Competitiveness Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Competitiveness of your field

Many researchers in my field are afraid of being scooped by their peers.

Clarification: Scooping refers to using in grant proposals and/or papers ideas or materials of your peers without their approval or proper referencing.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,2,3**

Q2042 - F42: Competitiveness Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Competitiveness of your field

Many researchers in my field are unhappy when their peers obtain a major award or recognition.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,1,3**

Q2043 - F43: Competitiveness Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Competitiveness of your field

Rivalry between researchers is common in my field.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,1,3**

Q2044 - F44: Competitiveness Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Competitiveness of your field

Congratulations, you completed 25% of the survey.

Researchers in my field working on similar topics are inclined to collaborate with each other.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,2,3**

Q2045 - F45: Competitiveness Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Competitiveness of your field

Most researchers in my field consider their own work to be part of a larger collaborative effort.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,1,2**

Q2046 - F46: Mentoring (responsible) Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Responsible Mentoring

How often has your most important mentor helped you in presenting the limitations of your research?

Clarification: A mentor may be a person from the past or present who may be your supervisor, colleague or peer to whom you looked to for guidance in your academic career.

[Normal](#)

Never 1 2 3 4 5 6 7 Always

Ask only if **Q9009 - DummyVersion,1,2**

Q2047 - F47: Mentoring (responsible) Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Responsible Mentoring

How often has your most important mentor given you feedback on how to select the most robust research methods?

[Normal](#)

Never 1 2 3 4 5 6 7 Always

Ask only if **Q9009 - DummyVersion,1,3**

Q2048 - F48: Mentoring (responsible) Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Responsible Mentoring

How often has your most important mentor advised you on making your work as transparent as possible?

[Normal](#)

Never 1 2 3 4 5 6 7 Always

Ask only if **Q9009 - DummyVersion,1,3**

Q2049 - F49: Mentoring (responsible) Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Responsible Mentoring

How often has your most important mentor coached you on how to deal with conflicts of interest in your work?

[Normal](#)

Never 1 2 3 4 5 6 7 Always

Ask only if **Q9009 - DummyVersion,2,3**

Q2050 - F50: Mentoring (responsible) Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Responsible Mentoring

How often has your most important mentor provided you with insights in the ethical aspects of a research design?

[Normal](#)

Never 1 2 3 4 5 6 7 Always

Ask only if **Q9009 - DummyVersion,2,3**

Q2051 - F51: Mentoring (responsible) Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Responsible Mentoring

How often has your most important mentor provided you with guidance on good research practices?

Clarification: Good research practices refer to behaviors undertaken to adhere to standards for high quality research within the discipline and guided by principles of honesty, transparency and independence.

[Normal](#)

Never 1 2 3 4 5 6 7 Always

Ask only if **Q9009 - DummyVersion,1,2**

Q2001 - F1: Scientific Norm Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Scientific Norms

Scientific Norms refer to ideals a researcher may subscribe to. For each of the following statements, please indicate the extent to which you personally feel the items **should** represent the **ideal** behavior of researchers.

Researchers **should** evaluate research only on its merit.

Clarification: Merit refers to the value of research in terms of improving knowledge or potential societal relevance.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,1,2**

Q2002 - F2: Scientific Norm Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Scientific Norms

Researchers **should** judge each other's contributions primarily on the basis of quality.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,1,2**

Q2003 - F3: Scientific Norm Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Scientific Norms

The acceptance or rejection of claims entering the scholarly domain **should** be independent of the personal or social characteristics of researchers.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,1,3**

Q2004 - F4: Scientific Norm Scale

Left-right slider

[Not back](#) | [Number of rows: 1](#)

Scientific Norms

Researchers **should** consider all new evidence, hypotheses, theories, and innovations even those that challenge or contradict their own work.

[Normal](#)

Totally Disagree 1 2 3 4 5 6 7 Totally Agree

Ask only if **Q9009 - DummyVersion,1,3**

Q2005 - F5: Scientific Norm Scale

Left-right slider

Q9008 - F9008: INTRO- QRP detection by collaborator-reviewer

Text

[Not back](#)

Likelihood of QRP detection

In this section, we present particular Questionable Research Practices (QRPs) and ask you to indicate how likely it is that these QRPs are detected by:

Collaborators: Defined as students, colleagues, or other academics with whom the researcher works together on one or more research projects.

Reviewers: Defined as academic peers who in the context of publishing the work independently assess its quality.

If the described practice does not apply to research in your field, please select 'Not applicable'

Ask only if **Q9009 - DummyVersion,1,2**

Q2064 - F64: QRP detection by collaborator

Left-right slider

[Not back](#) | [Number of rows: 1](#)

QRP detection by collaborator

How likely is it that a **collaborator** detects that a researcher in your field...

Provides insufficient supervision or mentoring to junior co-workers.

Collaborators: Defined as students, colleagues, or other academics with whom the researcher works together on one or more research projects.

Normal

Very Unlikely 1 2 3 4 5 6 7 Very Likely

Client notes: Not applicable will be shown separate from the scale

Ask only if **Q9009 - DummyVersion,1,2**

Q2065 - F65: QRP detection by collaborator

Left-right slider

[Not back](#) | [Number of rows: 1](#)

QRP detection by collaborator

How likely is it that a **collaborator** detects that a researcher in your field...

Does not submit (or resubmit) for publication a valid negative study.

Collaborators: Defined as students, colleagues, or other academics with whom the researcher works together on one or more research projects.

Clarification: A valid negative study may be defined as one that did not support your original study hypothesis.

Normal

Very Unlikely 1 2 3 4 5 6 7 Very Likely

Client notes: Not applicable will be shown separate from the scale

Ask only if **Q9009 - DummyVersion,1,3**

Q2066 - F66: QRP detection by collaborator

Left-right slider

[Not back](#) | [Number of rows: 1](#)

QRP detection by collaborator

How likely is it that a **collaborator** detects that a researcher in your field...

Keeps inadequate notes of their research process in their project.

Collaborators: Defined as students, colleagues, or other academics with whom the researcher works together on one or more research projects.

Normal

Very Unlikely 1 2 3 4 5 6 7 Very Likely

Client notes: Not applicable will be shown separate from the scale

Ask only if **Q9009 - DummyVersion,1,3**

Q2067 - F67: QRP detection by collaborator

Left-right slider

[Not back](#) | [Number of rows: 1](#)

QRP detection by collaborator

How likely is it that a **collaborator** detects that a researcher in your field...

Uses published or unpublished ideas or phrases without properly referencing the originating source.

Collaborators: Defined as students, colleagues, or other academics with whom the researcher works together on one or more research projects.

Normal

Very Unlikely 1 2 3 4 5 6 7 Very Likely

Client notes: Not applicable will be shown separate from the scale

Ask only if **Q9009 - DummyVersion,2,3**

Q2068 - F68: QRP detection by collaborator

Left-right slider

[Not back](#) | [Number of rows: 1](#)

QRP detection by collaborator

How likely is it that a **collaborator** detects that a researcher in your field...

Unfairly reviews papers, grant applications, or colleagues applying for promotion.

Collaborators: Defined as students, colleagues, or other academics with whom the researcher works together on one or more research projects.

Normal

Very Unlikely 1 2 3 4 5 6 7 Very Likely

Client notes: Not applicable will be shown separate from the scale

Ask only if **Q9009 - DummyVersion,2,3**

Q2069 - F69: QRP detection by collaborator

Left-right slider

[Not back](#) | [Number of rows: 1](#)

QRP detection by collaborator

How likely is it that a **collaborator** detects that a researcher in your field...

Fabricates data in his/her research.

Collaborators: Defined as students, colleagues, or other academics with whom the researcher works together on one or more research projects.

Normal

Very Unlikely 1 2 3 4 5 6 7 Very Likely

Client notes: Not applicable will be shown separate from the scale

Ask only if **Q9009 - DummyVersion,2,3**

Q2070 - F70: QRP detection by reviewer

Left-right slider

[Not back](#) | [Number of rows: 1](#)

QRP detection by reviewer

How likely is it that a **reviewer** detects that a researcher in your field...

Draws conclusions that were not sufficiently substantiated by his/her study.

Reviewers: Defined as academic peers who, in the context of publishing the work independently assess its quality.

Normal

Very Unlikely 1 2 3 4 5 6 7 Very Likely

Client notes: Not applicable will be shown separate from the scale

Ask only if **Q9009 - DummyVersion,2,3**

Q2071 - F71: QRP detection by reviewer

Left-right slider

[Not back](#) | [Number of rows: 1](#)

QRP detection by reviewer

How likely is it that a **reviewer** *detects* that a researcher in your field...

Chooses an inadequate research design or uses evidently unsuitable measurement instruments for his/her study.

Reviewers: Defined as academic peers who, in the context of publishing the work independently assess its quality.

Normal

Very Unlikely 1 2 3 4 5 6 7 Very Likely

- 2 Triangle

Q9017 - V9017: intro**Text****[Not back](#)**

Please answer the two questions on the following screens using the Randomized Reponse device.

Q4001 - RR1: Randomized Response**Single coded****Not back**

In the last three years, I fabricated data in my research.

Clarification: Fabrication is making up data or results and recording or reporting them as real.

1. Click on the 'start' button
2. The circle and triangle will start alternate
3. Click on the 'stop' button when you are ready to answer
4. Choose the symbol that represents your answer

Normal

- 1 Circle
- 2 Triangle

Client notes: RR device**Q4002 - RR2: Randomized Response****Single coded****Not back**

In the last three years, I falsified data in my research.

Clarification: Falsification refers to manipulating research materials, equipment, or processes, or changing or omitting data or results such that the research is not accurately represented in the research record.

1. Click on the 'start' button
2. The circle and triangle will start alternate
3. Click on the 'stop' button when you are ready to answer
4. Choose the symbol that represents your answer

Normal

- 1 Circle
- 2 Triangle
